

## Change of the Case for the SD Memory Card

**■Date of Issue**

February 2022

**■Relevant Models**

NZ1MEM-2GBSD, NZ1MEM-4GBSD, NZ1MEM-8GBSD, NZ1MEM-16GBSD

Thank you for your continued support of Mitsubishi Electric programmable controllers, MELSEC series.

We are informing you that the case for the SD memory card will be changed.

There is no impact on the general specifications, performance specifications, and functions of the SD memory card due to the change.

### 1 RELEVANT MODELS

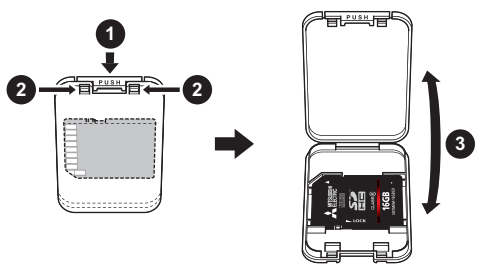

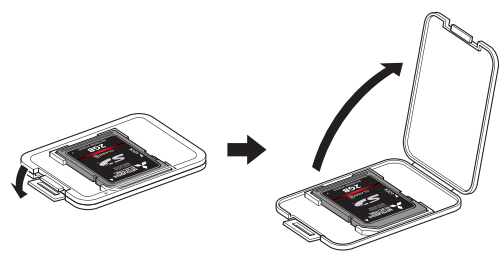

The target models are shown below.

Product	Model
SD memory card	NZ1MEM-2GBSD, NZ1MEM-4GBSD, NZ1MEM-8GBSD, NZ1MEM-16GBSD

### 2 DETAILS ON THE CHANGE

The case for the SD memory card will be changed as follows.

The opening/closing method will also be changed.

Before change	After change
	
<p>① Push in the part where the word PUSH is written.</p> <p>② The claws are off while you press the part.</p> <p>③ Open the case while pushing the part.</p>	<p>Unlock the case to open it.</p>

### 3 REASON FOR THE CHANGE

The conventional case will be discontinued.

### 4 CHANGEOVER PERIOD

The change applies to the products manufactured in and after March 2022.

Depending on the stock situation, the products before change may be delivered even after the changeover period.

We appreciate your kind understanding.

FA-A-0370-A
