2 SCHEDULE

- Order acceptance: Through May 30, 2025
- Production discontinuation: June 30, 2025

3 REASONS FOR DISCONTINUING PRODUCTION

Due to the shipment of successor products of MX Component, MX Sheet, and MX Works, the production of older versions will be discontinued.

Considering the sales performance of MX Component for iOS and MX Component for Android, the production of them will be discontinued.

4 ALTERNATIVE PRODUCTS

Use the successor products.

Precautions

When replacing an existing product, refer to the manual for the product for the differences between the successor and existing one.

If using the product with a communication route or an applicable model in an operating environment not supported by the successor product, use the existing one.

MX Component Version 4 and MX Sheet Version2 will be included in the successor products for installation even after the production discontinuation.

MX Component Version 4 and MX Sheet Version2 can be installed with the product ID of successor products.
