2. Schedule

Order acceptance : Through October 31, 2014

Production discontinuation : November 30, 2014

3. Reasons for discontinuing production

The demand for the relevant models is tremendously decreasing with the transition to new models.

Some parts of the programmable controllers are now obsolete, and we will have difficulty to maintain our production system.

4. Repair acceptance

Repair acceptance : Through November 30, 2021 (for 7 years after production discontinuation)

Note that the SW0D5C-LN92P and SW1NX-AD51HP described in this bulletin are ineligible for repair.
